For generations authentic Mexican cookery has been bringing culinary delights from every region.

At La sierra Taqueria The Chef is known as an expert in the style of El Pastor and Barbacoa and focuses on these cooking techniques to bring you delicious tasting food at an affordable price.

El Pastor ~ is a culinary style of infusing the citrus fruits mainly pineapple into the pork through very slow roasting.

Barbacoa ~ literally translates into Mexican Barbecue. Again through very slow and precise cooking. The Chef infuses the flavor of sweet red chilly into the meat.

La Sierra Taqueria invites you to enjoy their unique and regional flavors
